North Da-ko-ta, With thy prair-ies wide and free,
child-ren sing-ing, Songs of hap-pi-ness and praise,
on-ward go-ing, Light of cour-age in thine eyes,
all vic-to-rious, Give us Souls se-rene and strong,

All thy sons and daughters love thee, Fair-est state from sea to
Far and long the ech-oes ring-ing Through the vast-ness of thy
Sweet the winds a-bove thee blow-ing, Green thy fields and fair thy
Strength to make the fu-ture glo-ri-ous— Keep the ech-o of our

sea; North Da - ko - ta, North Da - ko - ta,
 ways - North Da - ko - ta, North Da - ko - ta,
 skies, North Da - ko - ta, North Da - ko - ta,
 song, North Da - ko - ta, North Da - ko - ta,

Here we pledge our-selves to thee. North Da - ko - ta,
 We will serve thee all our days. North Da - ko - ta,
 Brave the Soul that in thee lies. North Da - ko - ta,
 In our hearts for - ev - er long. North Da - ko - ta,

North Da - ko - ta, Here we pledge our-selves to thee.
 North Da - ko - ta, We will serve thee all our days.
 North Da - ko - ta, Brave the Soul that in thee lies.
 North Da - ko - ta, In our hearts for - ev - er long.
